

D.A.V. PUBLIC SCHOOL, THANE

CBSE – New Generation School

MISSION

With a view to create an ambience that is a blend of Vedic values and the teachings of the modern world, the school endeavors to enable the students to imbibe the sublime elements of our culture and civilization. Stress is laid on the universal aspect of Indian culture and students are enlightened about our rich spiritual heritage which transcends the narrow limits of caste, colour, creed and language. Emphasis is laid on providing safe, challenging and relevant learning environment that inspires and creates pathways for students' success. We cherish the time honored values of compassion, integrity, respect and inter cultural understanding.
